About National Federation of the Blind

Founded in 1940, the National Federation of the Blind (NFB) is the largest organization of the blind. It is a grassroots organization of over 50,000 blind people and their friends and families with chapters in 52 affiliates in every state, D.C., and Puerto Rico. Visit www.nfb.org for more information.

Voting closes midnight, September 30, 2010
Please vote today and every day in September!

Your vote could help the NFB win funding
for the **NFB Youth Slam**—a five-day
science, technology, engineering, and
math (STEM) academy for blind high school
youth from across the country.
